Questions and Answers

Q1: What is the expected response time to calls for service to show up and to offer a quote for the specific project?

A1: *The expected response time for service calls, including providing a quote for a specific project, typically ranges from 24 to 48 hours.*

Q2: What is the expected time to begin and complete quoted projects?

A2: *Regarding the commencement and completion of quoted projects, the timeline varies depending on factors like project scope, material availability, and current workload. Generally, companies aim to start projects within 1 to 2 weeks of quote acceptance. Completion times vary but may range from a few days to several weeks, depending on project complexity and size.*
