

PRESTON PARK ELEMENTARY SCHOOL

Originally Built 1952

Two Story Classroom addition and renovation 1997

Sprung-structure Gym

13 acres

Issues:

- 3 classrooms in trailers / 3 classrooms in gym structure
- Original classrooms / corridors / support spaces are smaller
- Accessibility issues remain
- HVAC is over 20 years old
- Separation of cars and buses

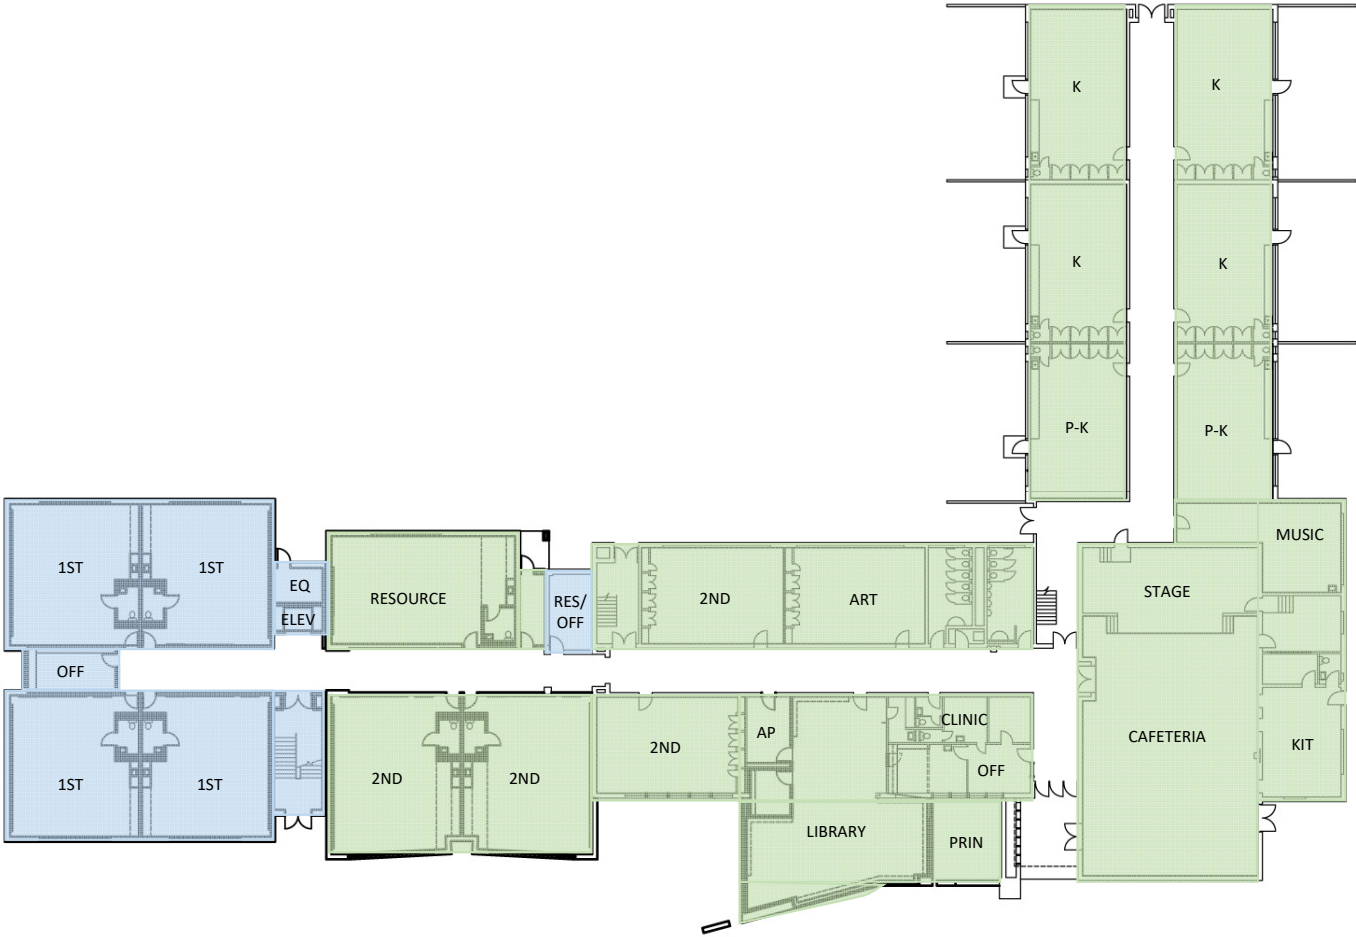

Project Goals:

- Get all classrooms within building secure perimeter
- Provide space for programs that currently do not have space
- Improve site function and safety
- Maintain or replace two baseball fields on site
