

# Keeping Students Healthy and Ready To Learn

## CARILION CHILDREN'S ADOLESCENT MEDICINE

Carilion Children's Adolescent Medicine and Student Health, in collaboration with RCPS School Nurses, are excited to announce that our conveniently located clinics inside of William Fleming and Patrick Henry high schools are open and ready to help your young adult stay healthy now and in the future.

If you would like your student to be scheduled for an appointment or to talk with one of our health care professionals, please call one of our locations. Your student will need to have both a signed parent permission form and a Carilion consent form to utilize the clinics.

### SERVICES OFFERED

- » Wellness visits
- » School, sports and camp physicals
- » Illness and minor injury treatment
- » Immunizations
- » Contraception
- » Mental health counseling
