Recording Interventions for Minor Behavior Problems On OneNote

The screenshot shows the OneNote interface. The title bar is purple with 'OneNote' on the left and '2022-2023 Morningside' on the right. The ribbon includes 'File', 'Home', 'Insert', 'Draw', 'View', 'Help', 'Class Notebook', and 'Tell me what you want to do'. The 'Home' ribbon is active, showing font settings (Calibri, size 11) and various text formatting options. The left sidebar shows a folder structure for '2022-2023 Morningside', with 'PBIS' selected. The main content area displays a document titled 'Interventions --John Smith' dated 'Monday, April 18, 2022 12:29 PM'. The document contains two intervention entries, each with a 'Behavior' section, an 'Intervention' section, and a 'Week of' section. The text is highlighted in yellow in the original image.

Interventions --John Smith
Monday, April 18, 2022 12:29 PM

Behavior:
John has been avoiding work during math.

Intervention 1:
Provide Choices: Give work in small chunks
Week of: 8/29-9/1

(You don't need to add this part in the parentheses. I just wanted to let you know where the intervention came from. This intervention idea came from the Positive Behavior Interventions Flipbook—on the Escape Page under Provide Choices)

Intervention 2:
Provide Choices: Alternate between preferred and non-preferred tasks
Week of: 9/6-9/9

(You don't need to add this part in the parentheses. I just wanted to let you know where the intervention came from. This intervention idea came from the Positive Behavior Interventions Flipbook—on the Escape Page under Provide Choices)

Please use the sample above to document your intervention on OneNote for minor problem behaviors.
